F.No.125/R&D/12

Dated 03.03.2014

MINISTRY OF FOOD PROCESSING INDUSTRIES

Revised Guidelines For The Scheme of Research & Development In Processed Food Sector During 12th Plan Period (with effect from 01.04.2013)

1. INTRODUCTION

Ministry of Food Processing Industries (MFPI) extends financial assistance as grantin-aid to various institutions/universities, Public funded organizations and recognized R&D laboratories both in public and private sector, to promote and undertake demand driven R&D work in the field of Food Processing Sector for product and process development, design and development of equipment, improved storage, shelf-life, packaging etc.

From 1st April, 2012 the scheme is being implemented by the Science & Engineering Research Board under the Department of Science & Technology, Ministry of Science & Technology, Technology Bhawan, New Mehrauli Road, New Delhi – 110 016.

2. OBJECTIVE

Objective of the scheme is that the end product / outcome / findings of R&D work should benefit Food Processing Industry in terms of product and process development, improved preservation, packaging, storage and distribution technologies, value addition, standardization of additives, coloring agents, preservatives, pesticide residues, etc. with focus on enhancement of production, quality, consumer safety, public health and trade.

3. ELIGIBLE INSTITUTIONS

All Universities, IITs, Central/State Government Institutions, Public Funded Organisations, R&D laboratories and CSIR recognized R&D units in private sector.

4. ELIGIBLE PURPOSES

4.1 Ministry supports research proposals preferably of applied nature with commercial value resulting in development of innovative products, processes and manufacturing practices, which lead to development of food processing industry in the country.

4.2. Ministry also supports basic research which adds to scientific knowledge relevant to the Food Processing Sector.

5. FUNDING PATTERN

5.1 For the Government organizations/universities/institutions, grant is given for the following:

- i) 100% of cost of equipment, consumables and expenditure related to Junior Research Fellow/Senior Research Fellow /Research Associate (JRF/SRF/RA) specific to the project of specified duration for maximum of three years. No assistance will be provided for already existing equipment. Research Assistant(s)/ Project Assistant(s) may be engaged as an alternative to JRF/SRF/ Research Associate. The emoluments for such Research Assistant(s)/ Project Assistant (s) will be as per norms of applicant institution but not exceeding the scale laid down for Junior Research Fellow (JRF) of ICAR.
- (ii) Lump sum provision up-to Rs.1 Lakh for TA/ DA for project related travel like survey, data/sample collection, etc. and for attending the meetings of the Expert Committee to present the project proposal and subsequently for the project review presentation. TA/DA will be given for an approved project only. The amount could be increased with specific approval of Project Approval Authority for reasons to be recorded.
- (iii) Institutional Charges equal to 10% of project cost subject to maximum of Rs. 3 lakh for non-academic institutions and Rs. 5 Lakh for academic institutions.
- 5.2 For Private organizations/universities/institutions, grant is given to the tune of 50% of equipment cost in general areas and 70% in difficult areas.

- 5.3 Difficult areas include J&K, Himachal Pradesh, Uttarakhand, Sikkim, North-Eastern States, Andaman & Nicobar Islands, Lakshadweep, and Integrated Tribal Development Project (ITDP) areas.
- 5.4 100% Grant is provided for the Ministry's sponsored projects, restricted only to public funded organizations of repute, in cases of cutting edge areas of research leading to development of innovative products, processes, manufacturing practices and technology.

6. HOW TO APPLY

- 6.1. The Principle Investigator (P.I.) may submit research proposal (three copies along-with a soft version) in prescribed standard proforma (ANNEXURE-A) to Secretary, Science and Engineering Research Board, 5 & 5A, Lower Ground Floor, Vasant Square Mall, Sector-B, Pocket-5, Vasant Kunj, New Delhi-110070. Applications for research grants can be submitted at any time during the year.
- 6.2. The application should be forwarded, through the Head of the concerned institution duly certified that (i) the required facilities (viz: land, buildings, laboratory, manpower and other infrastructure etc) are available and will be provided to the investigator(s) to work on the proposed project, and (ii) the department/university/institute will discharge all its obligations, particularly in respect of management of the grant given and patenting as well as commercialisation of the end product.
- 6.3. Three hard copies and one soft copy of the project proposal must be submitted along with the supporting documents (viz: 1. An affidavit / undertaking duly notarized/verified by Competent Authority / Head of the organization in compliance with Rule 209 (1) of GFR 2005 [ANNEXURE-E], 2. A consent letter from industrial partner, if any, confirming that the outcome of the research will be taken up/purchased /commercialized by that industrial partner).

4

- 6.4. Depending on the magnitude and nature of research involved a research project may have more than one investigator and, in such a case, the first investigator shall be known as "Principal Investigator" (PI). In the event of a collaborative project involving two or more institutions, the consent of each institution must be furnished with the proposal.
- 6.5. Research proposals must be prepared after extensive and exhaustive consultation of available literature and references to ensure that there is no duplication of work. Proposals will be considered only when the end product is new, innovative, and has commercial value or has relevance to Food Processing Sector.

7. PROCEDURE FOR APPROVAL OF PROPOSALS

- 7.1. SERB will evaluate the proposals comprising of peer review and/ or evaluation by an Expert Committee. In case of private sector research proposals, the concerned State Food Processing Mission Director may be invited to attend the Expert Committee meeting for consideration of such proposals. List of the State Directors for the National Mission on Food Processing is available on the website of the Ministry of Food Processing Industries (MFPI).
- 7.2. After approval of the competent authority, in-principle approval of the project proposal for the approved grant amount will be conveyed to the applicant university/institute/organization and after fulfillment of all the required criteria, sanction will be issued for release of first/second/third installment of grant as per these orders.

8. **PROCEDURE FOR RELEASE OF FUNDS**

- 8.1 Release of Funds:
- 8.1.1. Release of funds for Government/Public Funded Organizations:
 - a. After fulfillment of all the required criteria as per para. 8.2.1 (a), first installment of grant comprising (a) 100% of the approved cost of

equipment (or as required by the applicant research organization), (b) 50% of the approved cost towards JRF / SRF / RA / Research Assistant / Project Assistant, (c) 50% of the approved cost towards consumables, (d) 50% of the approved cost towards TA/DA, and (e) 50% of the approved institutional charges will be released.

- b. After fulfillment of all the required criteria as per para. 8.2.1(b), second installment of grant comprising (a) 40% of the approved cost towards JRF/SRF/RA/ Research Assistant / Project Assistant, (b) 40% of the approved cost towards consumables, (c) 40% of the approved cost towards TA/DA and (d) 40% of the approved institutional charges will be released.
- c. After fulfillment of all the required criteria as per para. 8.2.1(c), third/ final installment of grant comprising (a) 10% of the approved cost towards JRF/SRF/RA /Research Assistant / Project Assistant, (b) 10% of the approved cost towards consumables, (c) 10% of the approved cost towards TA/DA and (d) 10% of the approved institutional charges will be released.

8.1.2. **Release of funds for Private Organizations:**

- a. After fulfillment of all the required criteria as per para.8.2.1 (a), first installment of grant comprising 50% of total grant approved for equipment will be released.
- b. After fulfillment of all the required criteria as per para.8.2.1 (b), second installment of grant comprising of 40% of the total grant approved for equipment will be released.
- c. After fulfillment of all the required criteria as per Para.8.2.1(c), final installment of grant comprising 10% of the approved grant for equipment will be released.

8.2. **Documents required to be submitted before each release:**

- 8.2.1. Documents required for release of funds:
 - a. Documents required for release of 1st Instalment:
 - i. Compliance with the standard conditions as per Annexure- F.
 - Govt. / Public Sector Organizations /Universities/ Institutions shall submit copy of quotation(s) for the equipment to be procured out of grant-in-aid.
 Private organizations / universities / institutions shall submit copy of the quotations alongwith the purchase order for the equipment to be procured out of 1st instalment.
 - iii. Consent of the industrial partner, if any, confirming that the outcome of the research will be taken up/purchased/ commercialized by that industrial partner.
 - iv. Submission of an affidavit/undertaking in compliance with Rule 209(1) of GFR 2005 (ANNEXURE-E).
 - v. Submission of notarized surety bond of Rs. 100/- in case of private organizations / universities / institutions (ANNEXURE-G). (As per Rule 209 (6) (x) of GFR 2005, execution of surety bond will not apply to quasi-Government institutions, central autonomous organizations and institutions whose budget is approved by Government.)
 - b. **Documents required for release of 2nd Installment**:
 - i. Utilization Certificate (Annexure-D) as per Rule 19 (A) of GFR-2005 along with the statement of expenditure (issued by the Competent Authority) clearly bringing out the expenditure incurred by the applicant university/institute/organization from their own internal resources and from the assistance provided by MFPI, with detailed breakup.

- ii. In case of Government Organization/ Institute/ University where <u>100% cost</u> of equipment grant is released in 1st instalment, the applicant University/Institute/organisation must submit the copies of purchase order/invoice for whole equipment as approved by Technical Committee, alongwith statement of expenditure and progress report
- iii) In case the applicant University /Institute/organization opts for release of less than 100% of cost of equipment grant in the 1^{st} instalment, the applicant University / Institute/organisation must submit the copies of invoice/bill of equipment purchased out of 1^{st} intalment grant alongwith quotation for equipment to be purchased out of 2^{nd} instalment grant with statement of expenditure and progress report.
- iv) Further, in case of private organizations / institutions, they should submit copies of purchase order for the equipment to be purchased out of second instalment alongwith statement of expenditure and progress report.
- c. Documents required for release of 3rd and final instalment:
- i. Submission and acceptance of Final Project Completion Report (FPCR) in the prescribed format i.e. as per Annexure- C.
- ii. Utilization certificate (Annexure-D) as per Rule 19 (A) of GFR-2005 along with the statement of expenditure (issued by the Competent Authority) clearly bringing out the expenditure incurred by the applicant university/institute/organization from their own internal resources and from the assistance provided by MFPI, with detailed breakup.
- iii. In case of Private Organiztion/ Institute they should submit copies of invoice/bill for PAC approved equipment, as also duly audited accounts indicating that the entire expenditure has been incurred on the purchase of the PAC approved equipment.
- 8.3. The findings of the project shall be made available (preferably with the demonstration) before the appraising team as and when required.

9. FINAL PROJECT COMPLETION REPORT (FPCR)

- 9.1. The applicant university/institute/organization must submit the FPCR in prescribed format as per (ANNEXURE-C) and shall also discuss how the technology is going to be commercialized, patented and its future potential for technological advancement. The details of scientists/scholars trained and expertise developed, their qualification along with the permanent address shall also be mentioned in the FPCR.
- 9.2. The PI is required to submit FPCR (ten copies) for the entire duration, within three months from the date of completion of the project. The report must be in detail and should include information about (a) the original objective(s) of the scheme, (b) how far these objective(s) have been achieved, and (c) how the results have benefited the country's technological development or enriched the existing knowledge pool on the subject. The actual research achievements made under the scheme may be summarized in about 200 words and mentioned in the FPCR to facilitate publication of the same by MFPI/SERB and for making available on the website of SERB and MFPI.
- 9.3. Copies of manuscripts, preprints and reprints of papers arising from the work completed under the scheme should be attached to the FPCR. Failure to submit the FPCR on completion of the scheme will disqualify the investigator from seeking further assistance from MFPI. The names of defaulting Principal Investigators (P.Is.)/Institute will be circulated to all the funding agencies and this may lead to the concerned Investigators/Institute not getting any assistance for his/her new projects in future.

10. TENURE, PROGRESS REPORT

10.1. The tenure of a project would normally be 3 years or less as proposed by the investigator. Expert Committee (EC) of SERB will evaluate the progress of schemes to ensure that the funds are effectively utilized as per the intended objectives. For this purpose Principal Investigators (PIs) are required to submit a comprehensive progress report as per the format (ANNEXURE- B) as and when demanded by SERB, normally after one year. In case of some deserving cases depending upon the satisfactory progress, SERB may extend the project period to

one more year on a case-to-case basis without any financial implication.

10.2. Progress of the project will be monitored through progress report submitted or onsite inspection (if required) of the project or presentation before the review committee.

11. RESULTS OF RESEARCH AND INTELLECTUAL PROPERTY(IP) RIGHTS

- 11.1 Investigators are encouraged to seek legal/patent protection for the outcome of research.
- 11.2 Investigators are also encouraged to publish the results of research only after filing the necessary relevant IP protection applications. While doing so, acknowledgement to the effect that financial assistance was received from MFPI should be made in the research paper(s) published. MFPI should be acknowledged in similar type of other published work/press reports (please note: releasing to the press before IP protection may invalidate the prior art of the invention as it becomes known to public).
- 11.3 Project Investigators (PI) are encouraged to avail assistance for filing and obtaining patents for research outcome of MFPI assisted projects through Technology Information, Forecasting and Assessment Council (TIFAC), an autonomous organization under the Department of Science & Technology. Patent Facilitating Centre (PFC) under TIFAC will facilitate filing and obtaining patents for academic institutions and universities without any charges as MFPI will make necessary arrangement for the same directly with PFC, TIFAC. The interested PIs/ organizations may apply to: The Head, Patent Facilitating Centre (PFC), TIFAC, 5th Floor, A-wing, Vishwakarma Bhavan, Sheedjeet Singh Marg, New Delhi-110016 Tel No. 011-4242808/26967458, Email: dirpfc.tifac@gmail.com for this purpose as per the guidelines of PFC. Copies of such applications may also be endorsed to the Ministry (in such case only MFPI endorsed applications would be entertained by FPFC).

- 11.4 While PI is recognized as inventor, the title to the patent, or other legal protection accorded to the results of research, shall vest with University/Institute.
- 11.5 Ministry of Food Processing Industries will reimburse the administrative and other charges, if any, to PFC,TIFAC on this account.
- 11.6 Private institutions may also avail the benefit of this scheme for filing and obtaining patents through PFC,TIFAC under DST, provided they are registered as educational society under the Societies Act.

12. OPERATION OF FUNDS

The general conditions to be complied for operation of the funds are as follows:

- i) The applicant organization must submit utilization certificates for the amount released as 1st, 2nd, 3rd installment as per Form GFR19-A alongwith the detailed statement of the expenditure certified by the Accounts Officer and countersigned by the Finance Officer/ Registrar / Administrator of the university/institute/organization/ Head of the Department or Chartered Accountant (as required) should be submitted to SERB as indicated in ANNEXURE-D.
- Any unspent balance from earlier payment lying with the Institution at any time due to termination/resignation of the Fellow, etc. must be refunded to SERB immediately by means of demand draft in favour of Fund for Science & Engineering Research. In case the unspent balance is not returned within three months, it will attract interest as per the existing General Financial Rules (GFR 2005).
- iii) University/institute/organization receiving grants will have to maintain separate accounts for each research project on ledger type system.
- iv) The released grant shall not be diverted or spent other than for what it has been approved or otherwise may be got approved from SERB before such expenditure.

- v) All equipment purchased out of the grant will be the property of the Government of India and have to be entered into the Stock Register maintained by the University/Institution and also in a separate Register maintained by the project Investigator and certified by the Head of the Department.
- vi) The university /institute /organization will be responsible for the safe custody of the equipment purchased out of the grant.
- vii) Items of equipment should be purchased following a transparent, fair and competitive tender system.
- viii) A list of equipment purchased is to be appended with the application for 2^{nd} instalment. The name, description of the equipment, cost in rupees, date of purchase, and the name of the supplier, may be given in the list. The main purpose/function of the equipment may also be mentioned against each item. Equipment should be purchased within 4 months from the date of receipt of the sanction letter of respective installments, otherwise the grant will be liable to be cancelled and be called back.
- ix) After the termination of project, the University/institute/organization may retain all the equipment purchased for the purpose of the project out of MFPI grant. A label with the legend "MFPI FUNDED" shall be stuck prominently on the equipment.
- x) The research carried out withhe financial assistance of MFPI shall be in public domain. The facilities created thereof may be utilized as Business/R&D Incubation Centre after the research is completed for testing/research/product development, etc by other institutes/ organizations on payment basis.
- xi) The books of accounts of the grantee institution shall be open to inspection by the sanctioning authority/audit and by any other authority specified by the Ministry, whenever the institution is called upon to do so.

13. OBLIGATIONS OF PRINCIPAL INVESTIGATOR

The following are the obligations of the PI of a research scheme:

- i) The sanctioned research scheme must commence within 4 months from the date of receipt of the sanction letter of first instalment, unless otherwise authorized by SERB, failing which the grant will be liable to be cancelled and be called back.
- ii) It is mandatory for the PI/Co-PI to come to the Progress Review Presentation when invited to present the progress of the work done on the scheme.
- iii) Acknowledgement of the support given by MFPI in all the publications arising from the work done under the scheme. MFPI should be acknowledged in similar type of other published work/press reports etc.
- iv) Submission of the final project completion report (ANNEXURE-C) within 3 months of completion of the project, describing original objective(s), how far these objective(s) have been achieved and how the results have benefited the technological development or enriched the existing knowledge on the subject and enclosing manuscripts, preprints and reprints of the papers arising from the scheme.
- v) Claim for any dues must be made immediately. Submission of the utilization certificate and audited statement of accounts for the grants paid and to arrange refund of unspent amount of the grant must be made immediately on completion of the project. Claim of bills in any case will not be entertained after six months of the completion of project.
- vi) Sending of one reprint of each research paper(s) published as a result of the work done under the MFPI grant to SERB and R&D Division of MFPI as and when published. (Please ensure that in case you desire to file a patent, it must be done before publishing the results).
- vii) In the event of a PI proceeding on leave or takes up an assignment, alternative arrangements shall be made by the organisation, so that project does not suffer.

14. INDEPENDENT ANNUAL EVALUATION

Ministry will subject the scheme for evaluation by appointing an independent agency.

Note: These terms and conditions supersede all previous instructions issued in regard to R&D scheme. In all matters, decision taken by Secretary, MFPI will be final.
