### Notification

8/11/2007-IND

The Government of Goa is pleased to formulate the following Scheme in the State of Goa, namely:-

1. **Short title and commencement.**— (1) This Scheme may be called the Goa (Subsidy to **Clay Idol Makers**) Scheme, 2008.

(2) It shall come into force at once.

2. **Objectives of Scheme.**— Pottery and Clay Idol Making has been a traditional Goan cottage industry since times immemorial. These Idols are used in important Goan festivals like Ganesh Chaturthi, Statues placed in Cribs during Christmas, Idols being bought in Goan household for religious worships etc. The Scheme is intended to motivate traditional idol makers so as to encourage this ancient art form. Many local artisans earn their livelihood through this art form, which has been passed on from generation to generation. Of late due to competition from cheaper alternatives like Plaster of Paris, Polyfibre etc., the traditional idol making cottage industry has suffered considerably. It is therefore necessary to revive the same by active Government assistance by way of incentives like subsidy. This is expected to result in revival of clay idol making and ensure its continuity apart from ensuring gainful employment to traditional artisans. The subsidy shall be given to only those idols, which are manufactured in the State of Goa by local artisans registered with the GHRSSIDC. The subsidy shall cover only those idols, which are used for religious festivals, like Genesh Chaturthi, Christmas, etc. and are actually sold to the public.
